Your Account Is Not For Rent!

Letting others use your account can make you liable for fraud

ASK YOURSELF BEFORE YOU SHARE

- Has anyone asked you to give your account for deposits or transfers?
- Are you being asked to receive money for strangers or unknown parties?
- Are you being promised easy money or commissions for letting them use your account?
- Do you feel pressured to act quickly or not ask questions?

If the answer is YES, you may be at risk

KEEP YOUR ACCOUNT SAFE

- Never share your login credentials or any other sensitive information – Your account is personal
- Question suspicious offers - Easy money is rarely legitimate
- Take your time – Don't be pressured into allowing account access
- Seek guidance – Contact your bank or trusted authority if in doubt
