- (b) The paying agent shall pay the fixed interest (determined through competitive bidding) on the Interest payment dates as specified in (ii) above to registered holders of SLDBs on the instructions of the Issuer.

(vi) Determination of Interest

The LIBOR for US Dollars applicable from time to time in respect of SLDBs shall be determined on the basis of the following provisions:

- (a) On each “Interest Determination Date”, namely two Business Days (as defined hereunder) prior to the commencement of the Interest Period for which the rate will apply, the Paying Agent shall determine the Screen Rate (as defined below) as at or about 11.00 a.m. (London time) on the Interest Determination Date in consideration.
- (b) If the Screen Rate is unavailable, the Paying Agent will request the principal London office of each of the Reference Banks (as defined below) to provide the Paying Agent with its offered quotation to leading banks for eurodollar deposits in the London inter-bank market for the Interest Period concerned as at or about 11.00 a.m. (London time) on the Interest Determination Date in question. The Rate of Interest for the Interest Period shall be the Screen Rate plus the applicable Margin (as defined above) or, if the Screen Rate is unavailable, the arithmetic average (rounded upwards if necessary to the nearest 1/16 per cent) of the offered quotations as established by the Paying Agent [excluding the highest and lowest (or, in either case, if more than one, then only one of them) of the offered quotations provided by all the Reference Banks] plus the applicable Margin;
- (c) If on any Interest Determination Date the Screen Rate is unavailable and only four of the Reference Banks provide offered quotations, the Rate of Interest for the relevant Interest Period shall be determined in accordance with the provisions of paragraph (b) on the basis of the offered quotations of those Reference Banks providing the offered quotations (excluding as provided above);
- (d) If on any Interest Determination Date the Screen Rate is unavailable and two or three only of the Reference Banks provide offered quotations, the Rate of Interest for the relevant Interest Period shall be determined in accordance with the provisions of paragraph (b) on the basis of the offered quotations of those Reference Banks providing the offered quotations (but without excluding as provided above);
- (e) If on any Interest Determination Date the Screen Rate is unavailable and only one or none of the Reference Banks provides an offered quotation, then in determining the Rate of Interest for the relevant Interest Period, the Screen Rate used for determining the Rate of Interest for the Interest Period which last preceded the relevant Interest Period, or if the Screen Rate was not available for that Interest Period, the quotation under (b), (c) or (d) used for that Interest Period shall be used for determining the Rate of Interest in accordance with the provisions of paragraph (b) for the relevant period, provided however, that if determinable and if higher, the Reserve Interest Rate shall instead be used for determining the Interest Rate for the relevant period. The “Reserve Interest Rate” shall be the rate per annum which the Paying Agent determines to be either (A) arithmetic average (rounded upwards if necessary to the nearest 1/16 per cent) of the eurodollar lending rates which London banks selected by the Paying Agent are quoting, as at or about 11.00 a.m. (London time) on the relevant Interest Determination Date, for the relevant Interest Period, to the Reference Banks or those of them (being at least two in number) to which the quotations are, in the opinion of the Paying Agent, being so made plus the applicable

Margin or (B) if the Paying Agent cannot determine the arithmetic average, the lowest eurodollar lending rate which four London banks selected by the Paying Agent are quoting, on the Interest Period, to leading European banks plus the applicable Margin.

(vii) Computation of Interest Amounts

The Paying Agent shall, as soon as practicable after 11.00 a.m. (London time) on each Interest Determination Date, but in no event later than the third Business Day thereafter, determine the U.S. dollar amount payable in respect of interest on each SLDB (the “Interest Amounts”) for the relevant Interest Period. The Interest Amounts on each SLDB shall be determined by applying the Rate of Interest to the denomination of the relevant SLDB, multiplying the sum by the actual number of days in the Interest Period concerned divided by 360 and rounding the resultant figure to the nearest cent (half a cent being rounded upwards).

- (iii) “Business Day” means a day on which banks are open for business in Sri Lanka provided that for the purpose of clause (i) of paragraph 5, it shall mean a day on which banks are open for business in Sri Lanka and foreign exchange markets settle payments in the relevant place or places.
