INVITATION FOR TENDER

Ref: No. 09/04/121/2021/001

17 June 2022

Director/Manager

.....

.....

Dear Sir/Madam,

**TENDER FOR THE
SUPPLY, DELIVERY, INSTALLATION, COMMISSIONING AND MAINTENANCE OF WEB PORTAL
TO HOST THE NATIONAL FINANCIAL INCLUSION STRATEGY (WPHNFIS) IMPLEMENTED BY
REGIONAL DEVELOPMENT DEPARTMENT OF CENTRAL BANK OF SRI LANKA**

Sealed quotations are invited to Supply, Delivery, Installation, Commissioning and Maintenance of Web Portal to host the National Financial Inclusion Strategy implemented by the Regional Development Department (RDD) of Central Bank of Sri Lanka (CBSL) as follows.

1. Eligibility Criteria:

- 1.1. Tenderers should be a company registered and operated in Sri Lanka.
- 1.2. Tenderers should have successfully implemented two (02) similar web sites and should have been engaged in maintaining similar websites for last three (3) years ended 31 December 2021 (Experience report Annex I – a of the Annex I).
- 1.3. Tenderers should have a project team including leaders, developers and other technical experts who possess relevant academic and technical qualifications and experience. (Annex I – b of the Annex I).

2. Technical Specifications:

Required software specifications are given in Annex II.

3. Price Schedule:

The tenderers shall quote prices as per the Annex III – Price Schedule. The price quoted inclusive of all local taxes should be in Sri Lanka Rupee (Rs.) and valid until 29.09.2022. The price shall remain unchanged during the validity period of the tender.

4. Bid Guarantee:

The tenderer should furnish a Bid Guarantee amounting to a sum of Rs. 25,000/- valid until 31.10.2022 by way of a Bank Guarantee substantially in the form of Annex IV or a Bank Draft in favor of the Monetary Board of the Central Bank of Sri Lanka, obtained from a Licensed

Commercial Bank operating in Sri Lanka. The Bid Guarantee shall be available at the time of the tender opening.

5. Performance Guarantee:

Within 14 days from the date of letter of award of the contract by the CBSL, the successful tenderer shall furnish a Performance Guarantee substantially in the form of 'Annex V' in a sum equivalent to 10% of the total Contract Price for the due performance of the contract which should be valid for 210 days from the date of letter of award. Such Performance Guarantee shall be in the form of a Bank Guarantee issued in favor of the Monetary Board of the Central Bank of Sri Lanka obtained from a Licensed Commercial Bank operating in Sri Lanka and forwarded to the Secretary of the CBSL.

A successful tenderer who fails to enter into a contract or fails to furnish the required Performance Guarantee as specified above shall be deemed to be disinterested in accepting the award, and the Bid Guarantee shall be forfeited.

6. Delivery Period and Liquidated Damages:

The successful tenderer shall complete the web portal within six (6) months from the date of the letter of award.

7.1 Installation, configuration and commissioning of the application developed to perform the activities related to WPHNFIS at the RDD of CBSL.

7.2 Expected functionality as per Annex II and successful completion of User Acceptance Testing (UAT).

7.3 One-month period of hand- holding support after UAT.

7.4 Provide technical and operational training for the application users.

7.5 Submit technical and operational manuals of the application in English language to CBSL

Failure to deliver the required items within this period would render the supplier liable to pay liquidated damages at the rate of **Rs. 1,500.00** per each day of delay and such amounts will be deducted from the payment due to the supplier.

7. Maintenance Services:

The proposed software solution shall be covered by a minimum of one (1) year comprehensive warranty period from the date of implementing it for live operations and any issues/problems identified during the warranty period should be rectified by the bidder at no additional cost to the CBSL during the warranty period.

8. After Sales service requirements:

The Bidders should have 24x7 call center support. The bidder should provide support and maintenance services for the tendered items 24x7 basis with on-site (Central Bank of Sri Lanka, No. 30, Janadhipathi Mawatha, Colombo 01) support whenever requested by the CBSL.

9. Payment Method:

All payments will be subjected to existing taxes as applicable in terms of the Inland Revenue Acts No. 24 of 2017 and any subsequent amendments and notices issued by the Department of Inland Revenue, Sri Lanka. The conditions of the payments are as follows.

- i. An advance payment not exceeding **20%** of the Contract value may be released upon the submission of an Advance Payment Guarantee issued by a Licensed Commercial Bank operating in Sri Lanka.
- ii. An amount equivalent to **70%** of the cost will be paid after 14 days from the date of completion of the project on recommendation of the Director, Information Technology Department, CBSL and the balance **10%** will be paid after 90 days of the commissioning subject to the satisfactory performance of tendered services.
- iii. The successful tenderer shall submit a copy of VAT Registration Certificate (if any).

10. Document Requirements:

Following information shall be furnished along with the bid:

- i. Duly completed Form of Tender (Document B)
- ii. Experience Report (Annex I-a) and competency of the project team (Annex 1-b)
- iii. Technical Specifications (Annex II-a)
- iv. Price schedule (Annex III)
- v. Duly completed Bid Guarantee (Similar to Annex IV)
- vi. Company Profile (Annex VI)
- vii. Audited financial statements for last three (03) years
- viii. The detail description of the project implementation approach including project plan, design and development methodologies applied, quality assurance, deliverable, testing, user training and troubleshooting

11. Selection Method:

- i. The evaluation will be based on the cost and quality method subject to substantial compliance with Tender conditions.
- ii. The CBSL reserves to itself the right to accept any or reject any or all tender(s) of the tender received and is not bound to accept the lowest quotation. The decision of the CBSL shall be final with regard to the award of the contract.

12. Submission of Bids and Tender Opening:

Duly perfected tender documents addressed to **'The Secretary, Secretariat Department, Central Bank of Sri Lanka, No. 30, Janadhipathi Mawatha, Colombo 01'** should be sent via email to **procsec@cbsl.lk** in the form of password-protected PDF, with the subject **Name of the Tender** (Please refer Annex VII for the guide on submitting documents via email) not later than **1430 hrs on 01.07.2022**.

Tenders will be opened immediately after closing the tenders on **01.07.2022** virtually via MS Teams.

13. Contact Details:

For any further clarifications you may contact the following officer/s.

- i. Senior Assistant Director/IT (Technical Matters) – 0112477490
- ii. Assistant Secretary / Secretariat (Procurement Matters) – 0112477549

Yours faithfully

Sgd./ (Mrs.) K N N M Bandara
Secretary

Please annex the audited financial statements for last three (3) years.

TECHNICAL SPECIFICATIONS**TENDER FOR THE
SUPPLY, DELIVERY, INSTALLATION, COMMISSIONING AND MAINTENANCE OF WEB PORTAL
TO HOST THE NATIONAL FINANCIAL INCLUSION STRATEGY IMPLEMENTED BY REGIONAL
DEVELOPMENT DEPARTMENT
OF THE CENTRAL BANK OF SRI LANKA****1. Key Technical Requirements of the web site**

The website shall meet the following key technical requirements in addition to its expected functionality.

- 1.1. **Content Management** - Easily updated with a Content Management System using a web-based interface that will permit CBSL staff to update web site content easily and quickly on specific pages. (Joomla, WordPress, or any other widely used standard platform)
- 1.2. **Language Capability** - The system should support the presentation of content and all menus, entry forms, links, displays, documents, search boxes, and other parts in Sinhala, Tamil, and English languages and users/ readers shall be able to change the language of the website.
- 1.3. **Visually appealing** - The site must have an attractive mix of text, photos, and graphics.
- 1.4. **Common Theme and Consistent Design** - Each section of the site should have a common look/theme. All font types and basic layout used throughout the site must be consistent for approximately 100 pages long (static pages including Q&A page)
- 1.5. **Browser Compatibility** - Site must be compatible with Microsoft Edge, Mozilla Firefox, Google Chrome, Safari, (latest versions of each).
- 1.6. **Mobile Compatibility** - Provide mobile device compatibility for iPhones, iPads, Android phones, Android TABs and other handheld devices. The web site shall be responsive/adaptive for the different screen sizes of the mobile devices.
- 1.7. **Site Search Utility** - Allow for extensive search capabilities using key words or phrasing that will identify content from throughout the site. The results should be able to sort by date, relevance, chronological order, alphabetical order or subject wise and general public shall be able to search the content of the website and shall be able to view and download content/reports from the web site.
- 1.8. **Low Bandwidth Accessibility** - The technical footprint should be light enough that users can view pages and documents without excessively long downloads.
- 1.9. **SEO** - Design to maximize search engine optimization.
- 1.10. **Google Analytics** integration to monitor website performance, including but not limited user behaviour analysis, geographical analysis...etc.
- 1.11. **Accessibility** - Site must be built in accordance to the Web Content Accessibility Guidelines (WCAG) 2.0, provided by the W3C and should also be easily accessible to the novice as well as the experienced Internet user.

- 1.12. **Allow for interactivity** - Include feedback/contact/query forms e-mail response, and surveys.
- 1.13. **URL redirection** - The existing links and pages of the current website need to be redirected to new web pages and links to ensure continuity of old links and prevent broken links
- 1.14. **HTTPS and Security certificate** - Bidder will obtain and perform renewals of SSL security certificate for the domain and all content and links should use secure connections (SSL)
- 1.15. **Backup service/ Version maintenance** - Full backups of the website and the databases should be obtained on weekly basis to fully restore the website as and when needed. Versions of the website should be maintained to roll back if needed.
- 1.16. **Offsite backup** – The bidder shall maintain two offsite backups and provide to CBSL.
 - 1.16.1. Initial backup or Full back up after a major change of the application.
 - 1.16.2. Full backup – a month old (4 weeks ago backup)
- 1.17. **Disaster Recovery Plan** - A disaster recovery plan must be presented in the proposal
- 1.18. **Hosting** – The bidder shall provide web site hosting facility to the CBSL and host the web application in the secured hosting environment.
- 1.19. **Space Management** – The bidder shall ensure availability of adequate storage/capacity in the hosting environment.
- 1.20. **Web Application Security** - The web site shall be developed and hosted in a way that prevent OWASP top 10 web application security risks.
- 1.21. **WAF integration**– The Web application firewall shall be placed in front of the web application to filter adversary requests and the WAF shall be configured and tuned to mitigate OWASP top 10 web application security risks.
- 1.22. **OS and patch updates** – The bidder shall perform all the OS and patch updates of the operating system and the backend applications in use. The web application shall not operate on top of the outdated backend applications/OS.
- 1.23. **Secure Design and hosting** – Web application security best practices shall be followed during the design and the hosting of the web site.
- 1.24. **Security Plan** - A plan to mitigate cyber security threats must be presented in the proposal.
- 1.25. **Copyrights (ownership of code base and contents)** - CBS has the exclusive rights to the contents and the source code. If for any reason maintenance contract is terminated, the service provider needs to hand over the source code to the CBS with all technical documentation
- 1.26. **Maintenance of the website** – The bidder shall perform maintenance activities of the web application including but not limited to troubleshooting, patch/version updates of OS and backend applications
- 1.27. **Duration for the completion** – The bidder shall complete the development of the web application within 90 days from the date of awarding.
- 1.28. **Duration of the agreement** - five-year agreement with CBSL for maintenance of the web portal developed. Terms of maintenance should be clearly specified in this proposal and extended based on mutual agreement.

2. Training for the CBSL staff

- 2.1. The bidder shall provide sufficient training to CBSL staff, including RDD/ITD on editing information in the web portal through a CMS.
- 2.2. The bidder shall provide content update assistance
- 2.3. The bidder shall provide an as built document of the website to CBSL when the website is ready to launch
- 2.4. The bidder shall provide a detailed user manual on editing the website through the used content management system

3. Warranty

- 3.1. Bidder shall provide maintenance service including but not limited to troubleshooting, patch/version updates of OS and backend applications of the web application for five years from the date of completion of the web site.
- 3.2. Bidder shall provide free of charge maintenance service including but not limited to troubleshooting, patch/version updates of OS and backend applications of the website, for the 1st year from the date of completion of the web application.
