Sri Lanka Socio-Economic Data - 2012 Publication

English, Sinhala and Tamil versions are now available for Sale

The Central Bank of Sri Lanka has released its latest data folder, Sri Lanka Socio-Economic Data 2012. The current data folder is the 35th volume of the series. This easy- to- carry data folder contains 88 statistical tables and 12 charts covering the latest information on socio economic conditions in Sri Lanka, human resources, national accounts, agriculture, industry, economic and social infrastructure, prices and wages, external trade and tourism, external finance, fiscal sector and financial sector. The most recent Provincial Gross Domestic Production (PGDP) statistics for the year 2011 are also published in this folder. Statistics on country comparisons of key socio economic variables for the SAARC and South East Asian regions are also available in the data folder.

As the data folder presents a wide range of socio-economic data of current interest in summary form, it will be a very useful reference material for policy makers, researchers, academics, professionals, students and the general public.

The data folder is priced at Rs. 100/- per copy for the English version and Rs.30/- per copy for the Sinhala/Tamil version and is available for sale at the Sales and Distribution Counter of the Central Bank at its Centre for Banking Studies, 58, Sri Jayewardenepura Mawatha, Rajagiriya, Provincial Offices of the Central Bank in Matara, Matale, Anuradhapura, Trincomalee and Jaffna and leading bookshops.
