Press Release

Issued By Communications Department

Date 19 March 2013

The Central Bank releases a new book “ආර්ථික විද්‍යා මූලධර්ම සහ ප්‍රතිපත්ති”

The Central Bank released its latest educational publication titled “ආර්ථික විද්‍යා මූලධර්ම සහ ප්‍රතිපත්ති” (Economics Principles and Policies) being the third book authored by Mr. P Samarasiri, Assistant Governor and Secretary to the Monetary Board of the Central Bank. This book is written in simple language covering a step-by-step analysis of theoretical and practical aspects of the activities of the economy based on micro, macro, financial, state and foreign sectors and analytical tools. Therefore, this book is a very useful Economics text book to students of GCE (A/L), professional courses and universities who study economics and finance and their teachers as well as academia and policy-makers. The two other Economics books authored by Mr. Samarasiri and released by the Central Bank are “□□□□□ □□□□□□□□, □□□□□ □□ □□□□□□□” in August, 2010 and “මූලික ආර්ථික විද්‍යා මූලධර්ම විග්‍රහය ” in November 2011. These two books are now also available in Tamil language.

The Central Bank uses various publications and programmes to improve the economic and financial knowledge of the public and this book is another publication for this objective. Therefore, this book which will help improve the theoretical and practical knowledge in economics and finance of a large number of people is a national educational service of the Central Bank.

These three publications will be available for sale in the Central Bank’s Publications sales outlet at Center for Banking Studies, Rajagiriya, and Provincial Offices.
