

Weekly Economic Indicators

29th June 2018

Highlights of the Week

Real Sector

The year-on-year CCPI headline inflation increased to 4.4 per cent in June 2018 from 4.0 per cent in May 2018. The change in the CCPI measured on an annual average basis decreased from 5.7 per cent in May 2018 to 5.6 per cent in June 2018. When monthly change is considered, the CCPI increased from 122.9 index points in May 2018 to 125.4 index points in June 2018 mainly due to the increase in prices of the items in both Food and Non-food category. The CCPI Core inflation increased from 3.2 per cent in May 2018 to 3.4 per cent in June 2018 on year-on-year basis.

During the period, crude oil prices largely followed an increasing trend. At the beginning of the period prices rose due to uncertainty over Libyan oil exports and as US crude stocks fell by nearly 10 million barrels last week, the most in nearly two years. Subsequently, crude oil prices remained stable over concerns about trade frictions between the US and other major economies. However, market conditions remain tight due to supply disruptions and high demand. Overall, Brent and WTI prices rose by US\$ 3.4 per barrel and US\$ 4.6 per barrel, respectively, within the period.

Monetary Sector

Weekly AWPR for the week ending 29 June 2018 increased by 41 bps to 11.33% compared to the previous week.

The reserve money increased compared to the previous week mainly due to increase in currency in circulation and deposits held by commercial banks.

The total outstanding market liquidity increased to a deficit of Rs. 33.70 bn by end of the week, compared to a deficit of Rs. 2.13 bn by the end of last week.

By 29 June 2018, the All Share Price Index (ASPI) decreased by 0.54% to 6,195 points and the S&P SL 20 Index decreased by 1.14% to 3,389 points, compared to the previous week.

External Sector

During the year up to 29 June 2018 the Sri Lanka rupee depreciated against the US dollar (3.4 per cent). Given the cross currency exchange rate movements, the Sri Lanka rupee depreciated against the pound sterling (0.7 per cent), euro (0.3 per cent) and Japanese yen (5.3 per cent) while appreciated against the Indian rupee (3.8 per cent) during this period.

Earnings from exports grew by 6.0 per cent (year-on-year) to US dollars 3,784 million during first four months of 2018 mainly due to increased export earnings from textiles and garments, tea, rubber products, petroleum products, food, beverages and tobacco and gems, diamonds and jewellery. Import expenditure also increased by 12.8 per cent (year-on-year) to US dollars 7,765 million during first four months of 2018 largely due to higher imports of fuel, textiles and textile articles, vehicles, gold, chemical products and fertiliser. As a result, the deficit in the trade account expanded to US dollars 3,981 million during the first four months of the year from US dollars 3,314 million in the corresponding period of 2017.

The export unit value index increased by 8.8 per cent (year-on-year) in April 2018 mainly due to high prices registered in industrial exports. The import unit value index in April 2018 increased by 3.8 per cent (year-on-year) reflecting price increases in intermediate goods and investment goods. Accordingly, the terms of trade improved by 4.8 per cent (year-on-year) to 114.3 index points in April 2018.

The average price of tea (in the Colombo auction) decreased to US dollars 3.89 per kg in April 2018 from US dollars 4.28 per kg in April 2017. The import prices of rice and wheat increased in April 2018 (year-on-year) while import price of sugar declined.

The gross official reserves were estimated at US dollars 8,808.92 million as at 31st May 2018.

(a) Please note that crude oil prices are based on futures prices instead of spot prices, that have been published up to end 2017.

(*) CPC import prices are not directly comparable with futures prices of WTI and Brent as CPC's import prices include freight charges and the price is weighted for average prices of different types of crude oil. Also part of the imports of CPC are on a term contract basis.
