

WEEKLY ECONOMIC INDICATORS

15 May 2026

Statistics Department
Central Bank of Sri Lanka

Highlights of the Week

Real Sector

During January to March 2026, tea production recorded a year-on-year decline, mainly due to reduced production in March 2026, driven by extreme dry weather conditions. Rubber production also recorded a year-on-year decline during this period.

Index of Industrial Production (IIP) increased by 3.0 per cent in March 2026 to 106.9 compared to March 2025, mainly contributed by the increases reported in the manufacture of Wearing apparels (13.8 per cent) and Other non-metallic mineral products (16.6 per cent).

In April 2026, Purchasing Managers' Indices (PMIs) indicated a contraction in both Manufacturing and Services activities.

At the beginning of the period from 08 to 15 May 2026, crude oil prices followed an increasing trend amidst persistent supply disruptions and the collapse of US-Iran peace negotiations. During the middle of the period, crude oil prices marginally declined due to investor anxiety over a potential hike in US interest rates. However, prices rose again as market concerns persisted over ship attacks and seizures in the Strait of Hormuz. Overall, by the end of the period, Brent and WTI crude oil prices increased by US dollars 5.66 per barrel and US dollars 6.79 per barrel, respectively, compared to a week ago.

Monetary Sector

Weekly Average Weighted Prime Lending Rate (AWPR) for the week ending 15 May 2026 decreased by 8 bps to 9.71 per cent compared to the previous week.

The Average Weighted Call Money Rate (AWCMR) increased to 7.79 per cent on 15 May 2026 compared to 7.76 per cent at the end of last week.

The reserve money decreased compared to the previous week mainly due to the decrease in deposits held by the commercial banks with the Central Bank.

The total outstanding market liquidity was a surplus of Rs. 156.80 bn by 15 May 2026, compared to a surplus of Rs. 253.66 bn by the end of last week.

By 15 May 2026, the All-Share Price Index (ASPI) decreased by 0.69 per cent to 22,905.75 points and the S&P SL 20 Index decreased by 0.55 per cent to 6,284.24 points, compared to the index values of last week.

Fiscal Sector

During the week, Treasury Bill yields remained broadly stable in both the primary and secondary markets, except for the marginal decrease in the 91 days Treasury Bill yield in the primary market.

The rupee value of Treasury Bills and Treasury Bonds held by foreign investors decreased by approximately 3.31 per cent in the reporting week compared to the previous week.

In the reporting week, the auction for Treasury Bills experienced an oversubscription rate of approximately 2.7 times and Treasury Bonds experienced an oversubscription rate of approximately 2.5 times.

The total volume of secondary market transactions in Treasury Bills and Treasury Bonds increased by approximately 4.9 per cent in the reporting week compared to the week before.

External Sector

Year to date depreciation of Sri Lanka rupee against the US dollar was 4.5 per cent as of 15 May 2026.

Earnings from tourism amounted to US dollars 157.1 mn in April 2026, compared to US dollars 223.7 mn in March 2026 and US dollars 256.7 mn in April 2025.

(a) With effect from 27 November 2024, the OPR is defined as the policy interest rate of the Central Bank. SDFR and SLFR are linked to the OPR with a margin of ± 50 bps.

(b) Rates are sourced from the Public Debt Management Office (PDMO)

(c) AWSR reflects interest rates on all outstanding rupee loans extended by licensed banks to the MSME sector, while AWNSR captures rates on new rupee loans granted during a given month extended by licensed banks to the MSME sector. Both exclude government's refinance schemes and non-performing loans of the banks. AWSR and AWNSR are computed based on the SME survey conducted by the Economic Research Department of the Central Bank of Sri Lanka. This survey uses the criterion of annual turnover of not exceeding Rs. 1 billion to define MSMEs, in line with the standard definition.

(d) The bank has not granted loans during this week to prime customers, hence the latest available rate has been provided.

Sources : Ministry of Finance, Planning and Economic Development
Central Bank of Sri Lanka

Note: With the establishment of the Public Debt Management Office (PDMO) under the Ministry of Finance, Planning and Economic Development (MOF), the responsibility for recording and publishing Sri Lanka's public debt now falls under the PDMO, as mandated by the provisions of the Public Debt Management Act, No. 33 of 2024. Accordingly, the Quarterly Statistical Debt Bulletin, published by the PDMO, will serve as the official source for debt statistics. The Central Bank compiles and presents Outstanding Central Government Debt table (Table No. 3.2) based on data received from the MOF to ensure data continuity, following the Government Finance Statistics Manual 2014 (GFS 2014)

Treasury Bills (Secondary Market Yield Curves)

Treasury Bonds (Secondary Market Yield Curves)

(a) Provisional

(b) As per the guidelines of compiling government debt statistics in the Manual of Government Finance Statistics published by the IMF in 2014, resident holdings of outstanding ISBs of the Sri Lankan Government have been classified under domestic debt. Further, debt statistics are presented on net basis (net of deposits)

(c) The outstanding central government debt excludes several debt service payments that became overdue after 12 April 2022, the date of which the Interim Policy regarding the servicing of Sri Lanka's external public debt was announced by the Ministry of Finance, Planning and Economic Development. These debt service payments comprise of certain overdue interest payments of affected debt which deemed to be capitalized as per the Interim Policy.

(d) Includes outstanding balance of the government guaranteed foreign currency debt of the Ceylon Petroleum Corporation that was absorbed into central government debt.

(e) From December 2022 onwards, several outstanding project loans which were previously classified under Ceylon Electricity Board, Airport and Aviation Services Ltd. and Sri Lanka Ports Authority were absorbed into central government debt.

(f) Foreign loan debt statistics are prepared based on the data sourced from the Commonwealth Secretariat Debt Recording and Management System (CS-DRMS) maintained by the Ministry of Finance, Planning and Economic Development.
